

Redmond Rod & Gun Club Rules

The Club rules are meant to ensure the safety of all users of our facilities. It is expected that all members and visitors will conduct themselves in a responsible manner. All club members are expected to be familiar with these rules, their firearms and the basic rules of firearm safety. Any violation of these rules will result in a written notice from the Board of Directors. Subsequent or repeated violations will result in suspension or revocation of membership at the discretion of the Board.

Control

The ranges are under the control of designated Range Safety Officers (RSO). RSOs are provided to maintain safety and control of the ranges at all times, and to enforce the rules. In the event of an emergency, they are trained to respond with appropriate action. Membership and use of club facilities implies that users have read these rules and agree to follow the direction of the designated Range Safety Officers. These are volunteers, they DO NOT write club policy. If you have questions or concerns about these rules, please contact the Board of Directors.

Operation

Use of club facilities is available to members and their guests subject to payment of required use fees (please see fee schedule below.) Non-members will be allowed use of club facilities, including the Rifle and Pistol ranges during normal hours of operation. Fees for members and non-members are set by the Board of Directors and are subject to change. Operating hours for each discipline are set by the Board of Directors. Hours and days of operation are posted in the clubhouse and on our website, www.rrandgc.com. Use of club facilities is available by reservation, and occasionally closes the club to the general membership. Use of club facilities without the presence of a Board member or a designated Range Safety Officer is not permitted and will be considered Criminal Trespass and prosecuted.

Training

Firearms and Range Safety Officer training is available. Any member interested in either of these programs is encouraged to contact the Board of Directors. The Board meets on the first Monday of each month at 6:30 p.m. in the clubhouse. Contact information is also available on our website at www.rrandgc.com. The minimum age for Range Safety Officers is 21.

Activities

The club provides shooting opportunities for members and their guests. If there is a discipline you are interested in that we do not offer, please contact the Board of Directors. We will gladly consider all options.

Volunteers

The club is operated by volunteers. If you are interested in helping out, please contact the Board of Directors.

Redmond Rod & Gun Club Rules

Firearm Safety

1. Always keep your firearm pointed in a safe direction.
2. Always keep your finger off the trigger until you are ready to shoot.
3. Always keep the action open and unloaded until ready to use.
4. Know your target and what is beyond.
5. Ensure your firearm is safe to operate.
6. Ensure firearms are unloaded when moving from vehicle to range.

General Range Rules

1. A designated Range Safety Officer or Board Member must be present to use Club facilities.
2. Know and obey all range commands.
3. Shoot only at authorized targets using appropriate ammunition.
4. Unload, open the action, and bench all firearms during a cease fire, or when not in use.
5. Do not handle or load any firearm while others are downrange.
6. The use of fully automatic firearms is not permitted.
7. Tracer rounds are not permitted.
8. Junior shooters under age 18 must wear eye and ear protection (recommended for all shooters).
9. All debris must be removed upon completion of use (empty brass, targets, etc).

Redmond Rod & Gun Club Rules

Basic Range Commands

Range commands are to provide concise, clear and standard methods of range operation. Use of these commands is left to the discretion of the designated Range Safety Officer.

Load!	Shooters may load their firearm.
Is the line ready?	To determine if all shooters are ready.
Ready on the firing line!	To declare all shooters ready.
Commence firing!	Declares the range open for live fire.
Cease fire!	To stop all shooting. Unload and clear all firearms.
Show clear!	Determine that each firearm is open and unloaded.
Range is clear!	Allows shooters to move downrange to change or remove targets.
