

NRA Range Safety Officer Course Description:

A fun, interactive course where basic knowledge of firearm safety, function and malfunction, a receptive and positive attitude, student participation and interaction is expected. The course goal is to develop NRA certified Range Safety Officers who possess the knowledge, skills, and attitude essential to organizing, conducting, and supervising safe shooting activities and range operations. Course content: ensure range is safe to use, conduct range safety briefings for shooters, handle ammunition & gun malfunctions safely, understand the role of the NRA Range Safety Officer and Range Standard Operating Procedures, supervise safety aspects of shooting activities and handle emergency procedures as established by range management. NRA membership is not required but strongly recommended for ease of NRA certification.

Course is a one day 8:30-19:30. Pre-registration on-line at nrainstructors.org is required. Course fee is \$125 which includes student manual and patch. Must be lawful citizen or person of the United States. Minimum age is 21. No live ammunition or concealed carry allowed in classroom. All firearms will be provided for the course training. Please bring your I.D., lunch, snacks, beverage to keep yourself comfortable during class.

Thank you for your time and efforts to keep shooting as a safe activity.
